9	1	6	4	9

Any person noticing errors or omissions in the foregoing records will confer a favor by making it known to the Town Clerk at once, that he may make corrections on the Town Record. Any blanks needed for making returns of births, marriages or deaths may be had by applying at the office.

For the benefit of the owners and keepers of dogs the following extract of the General Laws is hereby submitted:—

General Laws, Chapter 140

Section 137. Licenses and tags. The owner or keeper of a dog which is three months old or over shall annually, on or before March thirty-first, cause it to be registered, numbered, described and licensed for one year from the first day of April following.

The owner or keeper of a licensed dog shall cause it to wear around its neck or body, a collar, or harness of leather or other suitable material to which shall be securely attached a tag in a form prescribed by the director, and upon which shall appear the license number, the name of the town and year of issue. And if any such tag shall be lost the owner or keeper of such dog shall forthwith secure a substitute tag from the Town Clerk, at a cost of ten cents.

Section 138. The owner or keeper of a dog may at any time have it licensed until the first day of April following, and a person who becomes the owner or keeper of a dog after April first, which is not duly licensed, and the owner or keeper of a dog which becomes three months old after March thirty-first in any year, shall, when it is three months old, cause it to be registered, described, licensed and collared or harnessed and tagged as required by Section 137.

NUMBER OF DOG LICENSES ISSUED

43 Males at \$2.00	\$86 00	
5 Females at \$5.00	25 00

Report of the Librarian

To the Trustees of Wendell Free Library:

The library was opened 51 times during the year, with a circulation of 1688.

We have loaned books to each school. Also magazines to the Center school.

We received over 100 discarded books from the Springfield City library association which were in very good condition.

The woman's educational association loaned us a set of pictures of wild flowers, which were very instructive.

Besides the books given us by the Springfield library association we received the *Triumph of an Idea* by Ralph Graves, and *The Challenge to Liberty* by Herbert Hoover.

I would suggest that more books be purchased to help the high school students.

Those magazines which were subscribed for, to benefit organizations, are not read and I would suggest that they be discontinued and others desired by the patrons of the Library taken instead.

Several of the books have an untidy appearance and ought to be discarded or rebound.

We received \$4.15 in fines during the year and sold 50c worth of magazines.

There are a number of uncollected fines and some books out which are long over due.

Respectfully submitted,

MARION WHITNEY, Librarian.

Commonwealth of Massachusetts

Franklin, ss.

To Glenn O. Ellis, Constable of the Town of Wendell in the
County of Franklin, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the said Town qualified to vote in the elections and in town affairs to meet at the Town Hall in said Wendell, on Monday the Fourth day of March next, at ten o'clock in the forenoon then and there to act on the following articles:—

ARTICLE 1. To choose a moderator to preside at said meeting.

ART. 2. To choose all necessary town officers for the ensuing year.

- 3 Selectmen for 1 year
- 3 Members of the Board of Public Welfare for 1 year
- 1 Assessor for 3 years
- 1 Town Clerk for 1 year
- 1 Town Treasurer for 1 year
- 1 Tree Warden for 1 year
- 1 Tax Collector for 1 year
- 1 School Committee for 3 years
- 1 Trustee of the Public Library for 3 years
- 1 Cemetery Commissioner for 3 years
- 1 Constable for 1 year
- 2 or more Surveyors of Wood, Bark and Lumber
- 2 or more Field Drivers
- 2 or more Fence Viewers
- 1 Town Auditor

All of the above named officers are in accordance with the vote of the town to be chosen on one ballot under provisions of Chapter 835, acts of 1913.

ART. 3. To hear any reports that may be presented or act thereon.

ART. 4. To borrow such sums of money as may be necessary to defray town debts and charges for the year ensuing and make appropriations for the same.

ART. 5. To see if the town will vote to raise and appropriate a sum of money to be used in connection with the Massachusetts Highway Commission for State Improved Road in accordance with Chapter 90, Section 34 of the General Laws, or act thereon.

ART. 6. To see if the town will vote to raise and appropriate a sum of money for Memorial Day services, and to choose a committee for the same.

ART. 7. To see if the town will vote to raise a sum of money for the support of the Library, or act thereon.

ART. 8. To see if the town will vote to bond its town officers and raise and appropriate a sum of money therefor.

ART. 9. To see if the town will choose a Director in accordance with the provisions of Chapter 128, Section 41, of the General Laws to serve for one year, or pass any vote or votes in relation thereto.

ART. 10. To see if the town will vote to take out Workmen's Insurance and raise a sum of money therefor.

ART. 11. To determine the manner of collection of taxes, or act thereon.

ART. 12. To see if the town will vote to maintain the lights at Wendell Depot, and raise and appropriate a sum of money therefor.

ART. 13. To see if the town will vote to raise a sum of money for the use of the Tree Warden, or act thereon.

ART. 14. To see if the town will vote to raise and appropriate a sum of money to be used for an Old Home Day Celebration, and choose a committee for the same.

ART. 15. To see if the town will vote to raise a certain sum of money to be used as a Contingency Fund, or act thereon.

ART. 16. To see if the town will take any action in regard to fixing the salaries of the town officers, or act thereon.

ART. 17. To see if the town will vote the Dog Fund received from the County for the use of the Library or act thereon.

ART. 18. To see if the town will vote to raise and appropriate a sum of money for Suppression of the Gypsy and Brown Tail Moths, or take any action thereon.

ART. 19. To see if the town will vote to raise and appropriate a sum of money for maintenance of posts and railings wherever needed or act thereon.

ART. 20. To see if the town will raise and appropriate a sum of money for treating the roads with Tarvia, or act thereon.

ART. 21. To see if the town will vote to raise and appropriate a sum of money for Bridges, or act thereon.

ART. 22. To see if the town will vote to authorize the town treasurer with the approval of the selectmen, or a majority thereof, to borrow money from time to time in anticipation of the revenue of the present financial year ending December 31st, 1935, and to issue a note or notes therefor payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws. Any debt or debts incurred under

this article to be paid from the revenue of the present financial year.

ART. 23. To see if the town will continue the Road Machinery Account, to which shall be credited all receipts received for the use or rental of road machinery, the proceeds to be appropriated as voted by the town for road machinery purposes, or take any action in relation thereto.

ART. 24. To see if the town will vote to appropriate a sum of money for a Road Machinery Fund for the purpose of purchasing, repairing and otherwise operating road machinery.

ART. 25. To see if the town will vote to raise and appropriate a sum of money (Two Hundred and Fifty Dollars)—\$250.00—for the payment of the School Nurse under provisions of Section 1, Chapter 357 of the Acts of 1921, or take any action thereto.

ART. 26. To see if the town will vote a sum of money to purchase Fire Equipment, or act thereon.

ART. 27. To see if the town will vote to appoint the Selectmen as agents to prosecute action on suit for or in behalf of the town and to defend any suits brought against the town or its officials, and with the authority to employ council thereof, or act thereon.

ART. 28. To see if the town will vote to raise and appropriate a sum of money to provide for the payment for services rendered to the Town of Wendell by the duly elected and duly appointed counsel for the Town, or act in any manner relating thereto.

ART. 29. To see if the town will vote to raise or appropriate a sum of money to pay for material, labor and expenses of E. R. A. or any Federal projects, or act thereon.

ART. 30. To see if the town will vote to raise and appropriate a sum of money to be used for the purpose of installing a heating system for the town hall, or act thereon.

ART. 31. To see if the town will vote to sell the Allen or School House lot, so called at Wendell Depot, and also the Johnson property, so called situated in the Town of Montague, or act thereon.

ART. 32. To see if the town will vote to raise a certain sum of money for the use of the Cemetery Commissioners on Cemetery work, or act thereon.

The polls may be closed at 2.30 P. M. unless otherwise voted by those present.

And you are directed to serve this Warrant by posting up attested copies thereof at Wendell and Wendell Depot Post Offices and at Locks Village in said Town 2 Sabbath days, at least, before the time of holding said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting as aforesaid,

Given under our hands this Twenty-first day of February A. D. one thousand nine hundred and Thirty-Five.

CHARLES M. BALLOU,	} Selectmen of Wendell.
LEWIS B. BOWEN,	
CHARLES H. JENNISON,	

A true copy, attest:

GLENN O. ELLIS, Constable.

Report of Director of Accounts

THE COMMONWEALTH OF MASSACHUSETTS

Department of Corporations and Taxation

Division of Accounts

State House, Boston

October 3, 1934.

To the Board of Selectmen

Mr. Charles M. Ballou, Chairman

Wendell, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the accounts of the town of Wendell for the period from May 14, 1932 to August 13, 1934, made in accordance with the provisions of Chapter 44 of the General Laws. This report is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,
Director of Accounts.

TNW-MEF

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporation and Taxation
State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Wendell for the period from May 14, 1932, the date of the previous audit, to August 13, 1934, and submit the following report thereon.

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the town or sending out bills for collection, were examined, checked, and verified. Ledger accounts were compiled and analyzed, and a balance sheet, which is appended to this report, was prepared as of August 13, 1934, and shows that the town is in good financial condition.

The books and accounts of the treasurer were examined and checked in detail. The recorded receipts were compared with the records in the departments collecting money for the town and with the other sources from which money was paid into the town treasury, while the payments were checked with the selectmen's warrants authorizing the disbursement of town funds.

The cash book additions were proved and the bank balances were verified by reconciling the checking account with a statement received from the bank and by an examination of the savings deposit books. The cash on hand was verified, the reconciliation of the treasurer's accounts showing a cash variation of \$49.67.

It is recommended that the treasurer enter all receipts and payments in the cash book promptly, and that the cash balance, as shown by the cash book, be reconciled at least once a month with the balances in the banks and with the cash in the office.

The savings bank books and securities representing the trust and investment funds in custody of the treasurer were examined and listed, the income and withdrawals being proved.

A comparison of the appropriations, as listed from the

town clerk's record of town meetings with the amounts expended, showed that efforts had been made to keep expenditures within the amounts appropriated by the town for specific purposes.

The practice of carrying forward the unexpended library appropriation balance from year to year should be discontinued, and a new appropriation voted annually. It was noted that cash receipts from the library have been credited to the library account, in which connection attention is called to Section 53, Chapter 44, General Laws, which reads as follows:

All moneys received by any town officer or department, except as otherwise provided by special acts and except fees provided for by statute, shall be paid by such officer or department upon their receipt into the town treasury. Any sums so paid into the town treasury shall not later be used by such officer or department without a specific appropriation thereof, except that sums allotted to towns for highway purposes by the commonwealth or a county, which shall be used only for the purposes specified by the officials making the allotment or to meet temporary loans issued in anticipation of such allotment as provided in sections six or six A, shall be available therefor without any appropriation.

Attention is also called to Section 16, Chapter 39, General Laws, which provided for the appointment by by-law of a finance committee. This statute reads as follows:

Every town whose valuation for the purpose of apportioning the state tax exceeds one million dollars shall, and any other town may, by by-laws provide for the appointment and duties of appropriation, advisory or finance committees, who shall consider any or all municipal questions for the purpose of making reports or recommendations to the town; and such by-laws may provide that committees so appointed may continue in office for terms not exceeding three years from the date of appointment.

In every town having a committee appointed under authority of this section, such committee, or the selectmen if authorized by a by-law of the town, and, in any town not having such a committee, the selectmen shall submit a budget at the annual town meeting.

The books and accounts of the tax collector were examined and checked. The tax accounts outstanding at the time of the previous examination were audited, and all subsequent commitments of poll, personal, real estate, motor vehicle excise, and old age assistance taxes were proved with the warrants of the assessors committing them for collection. The recorded cash book collections were checked with the commitment lists, the payments to the treasurer were verified, the abatements were checked with the assessors, record of abatements granted, and the outstanding accounts were listed and proved.

Verification notices were mailed to a number of persons whose names appeared on the books as owing money to the town. The claims of four persons that their taxes for 1932 had been paid were investigated, it being found that taxes and interest amounting to \$38.25 were paid to a deputy sheriff on July 11, 1934, who had not paid the money over to the collector up to September 6, 1934. From the remaining replies received, it appears that the accounts, as listed, are correct.

The financial accounts of the town clerk were examined and checked. The receipts for dog and sporting licenses issued were checked and the payments to the town and county treasurers and to the Division of Fisheries and Game were verified. The cash on hand was proved by an actual count.

The receipts for licenses issued by the selectmen were compared with the records of licenses granted, and the payments to the treasurer were verified. It was noted that liquor licenses have been issued before the license fee was paid.

The accounts of the sealer of weights and measures for work done were checked, the payments to the treasurer and the cash balance being verified.

The accounts of public welfare, old age assistance, and soldiers' relief departments were examined. The charges, collec-

tions, and payments to the treasurer were verified and the outstanding accounts were listed.

The surety bonds of the treasurer, town clerk, and tax collector were examined and found to be in proper form.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax and departmental accounts, as well as tables showing the transactions and condition of the trust funds.

For the co-operation received from town officials during the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

HERMAN B. DINE

Assistant Director of Accounts

Report of the Superintendent of Schools

To The Board of Education and Citizens of Wendell:

I submit herewith the annual report of the School Department.

We are fortunate to have retained the services of all three teachers this year. Our teachers are all normal graduates and are doing very satisfactory work.

The primary reading system adopted in the Fall of 1933 is proving to be very satisfactory, and the reading ability of the primary grades has shown marked improvement, both in regard to the quality of the reading and the number of books read during the year. There is at present a wealth of interesting reading material in the fields of Nature Study, Animal Life, Travel, and Literature for the primary school youngster who has mastered the first steps in reading.

Improvement of the School Property at the Center has progressed rapidly this year. The walls and ceilings of both rooms have been covered with cellutex wall board. This material put on over the wooden sheathing seals the rooms against drafts and loss of heat. The windows and doors have been weatherstripped. We now have a modern, comfortable school building. It will be well to paint the interior of the building this coming year.

The Town purchased the lot occupied by Lockwood's Blacksmith shop, moved the shop away, filled the two old wells that were on it, and added it to the schoolgrounds. Through C. W. A.

projects, the whole yard has been graded with gravel, making a very attractive playground.

In conclusion I want to express my appreciation of the excellent spirit of good will and cooperation I have enjoyed working with the members of the Board of Education and the teachers. Work in such an atmosphere is pleasure. Your attention is called to the reports of the School Nurse and the Music Supervisor.

Respectfully submitted,

EDWIN J. HARRIMAN.

Report of Public Health and School Nurse

One of the pamphlets on the American Red Cross Public Health Nursing Service explains that the Public Health Nurse carries out a cooperative program for health protection, health promotion and health education in the community where she works.

With these headings in mind I will endeavor to give an account of what has been carried out in Wendell this past year.

HEALTH PROTECTION

To provide means of early diagnosis to all children in the schools and to take a definite step to stamp out Tuberculosis the State Department of Public Health and the School Department sponsored the Tuberculin Test in the schools last Fall. Forty-seven children were tested at request of their parents and 6 of these were x-rayed as result of a "positive" test. No cases were found.

It was not possible to hold Toxin anti-toxin clinics at the schools last Fall but it is hoped that means will be provided for them this Spring. Here in Massachusetts in 1929 there were 4255 cases of Diphtheria with 256 deaths. In 1935 there were 1041 cases and 86 deaths. This remarkable improvement is due almost entirely to the increasing numbers of small children having Toxin anti-toxin. More than one half the deaths caused from Diphtheria occur among children under five years of age

and that is why Public Health workers are constantly urging parents of children from six months up to get them protected, either by their family doctor or at the Board of Health clinics.

HEALTH PROMOTION

A Well-child Conference was conducted at the Town Hall. Sixteen children were examined by the examining physician and their mothers assisted in many ways by discussions with the doctor, the dental hygienist and the nutritionist.

A dental clinic was held at the Town Hall at which fifteen children received treatment. This took care of a small part of those children needing dental care. Counting those who went to their own dentist only 26 per cent of the children in town had necessary dental work done. The previous year showed 30 per cent had dental corrections. Comparing with the other towns in the district we find that Leverett had 39 percent, Shutesbury 43 per cent, Erving 56 per cent, New Salem 67 per cent and Warwick 86 per cent.

Home visits were made to homes where children or adults had been found to require medical attention. In cases where immediate attention was indicated and the family was unable to attend to it without help, arrangements were made to provide this, one way or another.

In the schools the school physician was assisted with the annual physical examinations, notices were sent home to parents telling of the findings followed by home visits to further explain these, the treatment, etc., as necessary.

The teachers were assisted with eye and ear examinations.

HEALTH EDUCATION

The teachers were assisted with the school health program; suggestions were made as to ways of correcting bad habits, conditions, etc., children weighed and measured, talks given and special clinics or examinations arranged for.

Physically Fit Tags were awarded to eleven boys and girls

last Spring. This means that they had all necessary dental work done and were free from any other remedial physical defects. In some instances in order to have this tag diseased tonsils had to be removed or glasses secured.

In closing I would like to say that the cooperation of the teachers, parents, interested citizens and officials in the Public Health Program has been greatly appreciated.

Respectfully submitted,

JOYCE F. POOLE, R. N.

American Red Cross Public Health Nurse.

Any person noticing errors or omissions in the foregoing records will confer a favor by making it known to the Town Clerk at once, that he may make corrections on the Town Record. Any blanks needed for making returns of births, marriages or deaths may be had by applying at the office.

For the benefit of the owners and keepers of dogs the following extract of the General Laws is hereby submitted:—

General Laws, Chapter 140

Section 137. Licenses and tags. The owner or keeper of a dog which is three months old or over shall annually, on or before March thirty-first, cause it to be registered, numbered, described and licensed for one year from the first day of April following.

The owner or keeper of a licensed dog shall cause it to wear around its neck or body, a collar, or harness of leather or other suitable material to which shall be securely attached a tag in a form prescribed by the director, and upon which shall appear the license number, the name of the town and year of issue. And if any such tag shall be lost the owner or keeper of such dog shall forthwith secure a substitute tag from the Town Clerk, at a cost of ten cents.

Section 138. The owner or keeper of a dog may at any time have it licensed until the first day of April following, and a person who becomes the owner or keeper of a dog after April first, which is not duly licensed, and the owner or keeper of a dog which becomes three months old after March thirty-first in any year, shall, when it is three months old, cause it to be registered, described, licensed and collared or harnessed and tagged as required by Section 137.

Respectfully submitted,

FRANK E. BALLOU,
WALTER C. OLIVER,
GLENN O. ELLIS,

Library Trustees of the Wendell Free Library

Commonwealth of Massachusetts

Franklin, ss.

To Glenn O. Ellis, Constable of the Town of Wendell in the County of Franklin, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the said Town qualified to vote in the elections and in town affairs, to meet at the Town Hall in said Wendell, on Monday the Second day of March next, at ten o'clock in the forenoon, then and there to act on the following articles:—

ARTICLE 1. To choose a moderator to preside at said meeting.

ART. 2. To choose all necessary town officers for the ensuing year.

- 3 Selectmen for 1 year
- 3 Members of the Board of Public Welfare for 1 year
- 1 Assessor for 3 years
- 1 Town Clerk for 1 year
- 1 Town Treasurer for 1 year
- 1 Tree Warden for 1 year
- 1 Tax Collector for 1 year
- 1 School Committee for 3 years
- 1 Trustee of the Public Library for 3 years
- 1 Cemetery Commissioner for 3 years, and 1 for 1 year
- 1 Constable for 1 year
- 2 or more Surveyors of Wood, Bark and Lumber
- 2 or more Field Drivers
- 2 or more Fence Viewers
- 1 Town Auditor for 1 year

All of the above-named officers are in accordance with the vote of the town to be chosen on one ballot under provisions of Chapter 835, Acts of 1913.

ART. 3. To hear any reports that may be presented or act thereon.

ART. 4. To borrow such sums of money as may be necessary to defray town debts and charges for the year ensuing and make appropriations for the same.

ART. 5. To see if the town will vote to raise and appropriate a sum of money to be used in connection with the Massachusetts Highway Commission for State Improved Roads in accordance with Chapter 90, Section 34 of the General Laws, or act thereon.

ART. 6. To see if the town will vote to raise and appropriate a sum of money for Memorial Day services, and to choose a committee for the same.

ART. 7. To see if the town will vote to raise a sum of money for the support of the Library or act thereon.

ART. 8. To see if the town will vote to bond its town officers and raise and appropriate a sum of money therefor.

ART. 9. To see if the town will vote to take out Workmen's Insurance and raise a sum of money therefor.

ART. 10. To determine the manner of collection of taxes, or act thereon.

ART. 11. To see if the town will vote to maintain the lights at Wendell Depot, and raise and appropriate a sum of money therefor.

ART. 12. To see if the town will vote to raise a sum of money for the use of the Tree Warden or act thereon.

ART. 13. To see if the town will vote the Dog Fund received from the County for the use of the Library, or act thereon.

ART. 14. To see if the town will take any action in regard to fixing the salaries of the town officers, or act thereon.

ART. 15. To see if the town will vote to raise a certain sum of money to be used as a Contingency Fund, or act thereon.

ART. 16. To see if the town will vote to raise and appropriate a sum of money for Suppression of the Gypsy and Brown Tail Moths, or take any action thereon.

ART. 17. To see if the town will vote to raise and appropriate a sum of money for Maintenance of Posts and Railings wherever needed, or act thereon.

ART. 18. To see if the town will raise and appropriate a sum of money for Resurfacing the Roads with tarvia, or act thereon.

ART. 19. To see if the town will vote to raise and appropriate a sum of money for bridges, or act thereon.

ART. 20. To see if the town will continue the Road Machinery account, to which shall be credited all receipts received for the use or rental of Road Machinery purposes, or take any action in relation thereto.

ART. 21. To see if the town will vote to appropriate a sum of money for a Road Machinery Fund for the purpose of purchasing, repairing, and otherwise operating any of the Road Machinery.

ART. 22. To see if the town will vote to authorize the Town Treasurer with the approval of the Selectmen or a majority thereof, to borrow money from time to time in anticipation of the revenue of the present financial year ending December 31, 1936; and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17,

Chapter 44, General Laws. Any debt or debts incurred under this article to be paid from the revenue of the present financial year.

ART. 23. To see if the town will vote to raise and appropriate a sum of money to be used for an Old Home Day Celebration, and choose a committee for the same.

ART. 24. To see if the town will vote to choose a Director in accordance with provisions of Chapter 128, Section 41, of the General Laws, to serve for one year, or pass any vote or votes in relation thereto.

ART. 25. To see if the town will vote to raise and appropriate a sum of money (Two Hundred and Fifty Dollars) \$250.00 for the payment of the School Nurse under provisions of Section 1, Chapter 357 of the Acts of 1921, or take any action thereto.

ART. 26. To see if the town will vote to raise and appropriate a sum of money to buy an approved portable gasoline fire pump, 1000 feet of hose and necessary coupling, etc., or act thereon.

ART. 27. To see if the town will vote to appoint the Selectmen as agents to prosecute action on suit for or in behalf of the town and to defend any suits brought against the town or its officials, and with the authority to employ counsel thereof, or act thereon.

ART. 28. To see if the town will vote to raise and appropriate a sum of money to provide for the payment for services rendered to the Town of Wendell by the duly elected and fully appointed counsel for the Town, or act in any manner relating thereto.

ART. 29. To see if the town will vote to raise or appropriate a sum of money to pay for material, labor and expenses of any Federal or Government project, or act thereon.

ART. 30. To see if the town will vote to raise and appropriate a sum of money for the use of the Cemetery Commissioners on Cemetery work, or act thereon.

ART. 31. To see if the town will vote to form in conjunction with other towns, a health district in accordance with the provisions of Chapter 111, Section 27A, of the General Laws.

ART. 32. To see if the town will vote to purchase any land of the Dr. Charles property for enlarging the school grounds at the Center School, and raise and appropriate a sum of money for the same or act thereon.

ART. 33. To see if the town will vote to elect the Selectmen and Board of Public Welfare for the terms of one, two and three years or act thereon.

The polls may be closed at 2.30 P. M. unless otherwise voted by those present.

And you are directed to serve this Warrant by posting up attested copies thereof at Wendell and Wendell Depot Post Offices and at Locks Village in said Town 2-Sabbath days, at least, before the time of holding said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting as aforesaid.

Given under our hands this Nineteenth day of February A. D. one thousand nine hundred and thirty-six.

Report of the Superintendent of Schools

To the School Committee and Citizens of Wendell:

Your superintendent takes pleasure in submitting herewith his first report,

There were several changes in the teaching force when our schools opened in September. Miss Georgia Young, who had done excellent work in the primary room at the Center School, resigned to accept a position in the Millers Falls school in Erving. This vacancy was filled by the election of Miss Vera Dick who has had several years' experience in Heath, Mass. She is a graduate of the Keene (N. H.) State Normal School. Miss Lucille Morrison who taught at the Northwest School a year ago, was transferred to the upper grade room at the Center School. Miss Marvis Thompson is the new teacher at the Northwest School. She is a graduate of this very school, Orange High School and the three year course at Fitchburg State Teachers College. We feel that we have an excellent corps of teachers who are all engaged in their profession not only because there is a pay check every two weeks but also because they love children and enjoy being with them and leading them to higher levels.

We are attempting to help our children toward clearer thinking. In the old school days there was a great deal of learning by memorizing and that, to a certain extent was worthwhile. We want memorizing today. In fact, that is the only way much factual material is acquired. What we do aim for, to a greater degree, is some ability in the older children, along the line of thinking out things for themselves. This task is not simple and

requires time. Reading in the intermediate grades has improved. This is due largely to the Cordts system of reading which was adopted by Mr. Harriman several years ago. We hope to make further improvement by the use of the revised edition of this system just as soon as the present books are no longer in good condition for use. In all three rooms our pupils are showing interest and good spirit in their work.

Our special supervisors are doing good work in their respective fields. We are fortunate in having the benefit of Mrs. LeValley's experience and ability in drawing. She came to each room once during October and we hope to be able to have her come again in May. Mrs. Mason continues to give us fine work in music. During American Education Week, all the rooms observed "School Night" when all parents and friends were invited to come in the early evening to see just what is going on in our classrooms. Many persons availed themselves of the opportunity. We should like to see more visitors during our regular school hours. During the morning sessions the more important work is usually accomplished in the heavier subjects.

Your superintendent is glad to see a Parent Teacher Association in Wendell. This organization is intended to bring the home and school into closer contact. It is hoped that many parents will be willing to give up a few evenings each year to this worthy organization and signify their interest by joining.

December 5, 1935, the Center School was visited by fire. Fortunately, the fire, which started directly over the furnace, was confined to a small area. Repairs were made promptly by Mr. Bowen. The floor above the heater was raised to allow a space of 18 inches rather than 2. It is believed the cause of the fire has been remedied and that there will be no danger of a repetition of accident which, had it occurred during the night, would probably have leveled the building.

Your committee has endeavored to spend wisely and carefully. They are returning a balance unexpended of \$210.63. It is a well-known fact that some towns feel, that when a school committee returns an unexpended balance at the end of the year, that is ample evidence that they will not need as large an appropriation for the ensuing year. For this reason, some committees

aim to spend every cent. We do not feel that this is a good practice. We feel that when a town is fair to the schools, the committee, in turn, can be fair in its use of the appropriation for schools. Sometimes, unforeseen emergencies develop. During 1936, we shall need more for transportation. \$10,200 will be needed by your committee to run your schools effectively this year.

At the Northwest School a new wood burning circulating type heater was installed. This stove is much larger than the old one and it is believed that the room will be adequately heated this winter.

In conclusion, I just want to say how deeply I appreciate the warm welcome which has been extended to me by the committee, teachers, pupils and townspeople generally. The spirit of cooperation is very evident. I want you all to know that I am working for you with the idea of giving the children of Wendell the best possible education. I should be pleased to have suggestions as to where we can improve our school department. Let us all bear in mind the question: "Are we doing our best for our boys and girls?"

Respectfully submitted,

EDMUND R. SAWYER

Report of Music Supervisor

To the School Committee, Superintendent of Schools and
Citizens of Wendell:

I am pleased to submit herewith my annual report as supervisor of music in the public schools of Wendell.

Music has progressed well during the past year. There is a marked improvement and greater facility in music reading in all grades. Last year's report told of the work accomplished in the manner of singing and with regard to following the baton in the primary and elementary grades. This same program has been followed this year.

In listening to the operetta, "Aunt Drusilla's Garden" given at the town hall, it was plain to see how music has improved in the last few years in the schools of Wendell.

Starting the first of November I was given a three months' leave of absence. During this time lesson plans have been sent to each teacher every week, also a text on theory which has been given to the children. These text papers have been returned to me and show that the lessons have been very well taught by each teacher.

In closing, I wish to take the opportunity to express my appreciation to the school committee, superintendent of schools, teachers and pupils for the loyal support and hearty cooperation which have been extended to me while I have been connected with the Wendell schools.

Respectfully submitted,

CLARA R. MASON

December 31, 1935

Report of Drawing Supervisor

To the School Committee, Superintendent of Schools and Citizens
of Wendell:

My aim has been to give the children of Wendell a training which will make them better able to coordinate mind and muscle; to understand color and make wiser choice in the use of it; to give them confidence in their own ability to portray on paper a fairly accurate description of an idea in mind; and to help them see and appreciate the beautiful that surrounds them every day.

I have sent lessons that should give the children a better understanding of design, color and representation; hoping that as they advance they will be able to intelligently carry out their own ideas in any work they will do which calls for the use of their art training.

During my visit to your schools in October I saw the excellent work the teachers have done with the lessons I have sent to them, and I take this opportunity to thank the committee, the superintendent and the teachers for their splendid cooperation.

Respectfully submitted,

EVELYN K. LeVALLEY

Fall River, Mass., December 31, 1935

Report of School Physician

To the School Committee, Superintendent and Citizens of
Wendell:

The regular examination of pupils has been made and it is pleasing to note that fewer defects were found. The pre-school clinic was well attended and I believe was felt to have been worth while.

Besides the discovering of defects in the children and the correction of such defects, there is another kind of health work which is equally important—the prevention of disease. The saving in money, health and lives accomplished by the inoculation against diphtheria is being shown all over the country. Even in the smaller towns, this is an important measure and should be carried out regularly. I would strongly urge that a clinic for such a purpose be held next spring.

I wish to thank all concerned for their cooperation in bettering the health of our children.

Respectfully submitted,

KIRKE L. ALEXANDER, M. D.

December 31, 1935, Orange, Mass.

Report of Public Health and School Nurse

Under the same headings as used in last year's report which were taken from a Red Cross pamphlet on Public Health Nursing I submit the following account of the past year's work.

HEALTH PROTECTION

No toxin-anti toxin clinics were held by the Board of Health this year as there were no funds available. Because of the high death rate when diphtheria strikes among infant and pre-school children and the seriousness of the disease when it strikes among children under ten years, every effort should be made to make these clinics possible this coming year. Such clinics enable all parents who are unable to get this immunization for their children at their family physician's, to do so without charge. For the child's sake every parent of a child six months old and up who has not already received the treatment should see that this protection is given.

The Chadwick Clinic, checking up on the boys and girls who had positive tuberculin tests last Fall or who were x-rayed for some other reason, was held in Orange where both physical examination and x-ray was done. Three children attended from Wendell.

HEALTH PROMOTION

A Well-Child Conference was held at the church parlors. This was sponsored by the Board of Health. Twenty-three children were examined by the examining physician and their

mothers assisted in many ways by discussions with the doctor, the dental hygienist and the nutritionist. This is three less than attended the previous year.

A dental clinic was conducted at the Town Hall. Fourteen children received treatment. This represented a small number of those children needing dental care in Wendell. Counting those and the few that received treatment at private dentists only 20 per cent of the total number of school children in town had dental care during 1935! In the three years previous there has been 26 per cent, 30 per cent and 26 percent dental corrections respectively which is very poor and now we find that 1935 shows even less attention paid to the correction of dental defects of children by their parents. Too much cannot be said of the importance of care of children's teeth and that care should begin with the "baby teeth." To have good teeth is to have good health and it is said that "He who has Good Health has Hope, and he that has Hope has everything."

Home visits were made to homes where children or adults had been found to require medical attention. In cases where immediate attention was indicated and the family was unable to attend to it without help, arrangements were made to provide this, one way or another.

The teachers were assisted with the eye and ear examinations of the children.

Arrangements were made for two girls and one boy to attend the Greenfield Health Camp.

In the schools the school physician was assisted with the annual physical examinations, notices were sent home to parents telling of the findings followed by home visits to further explain these, the treatment, etc., as necessary.

HEALTH EDUCATION

The teachers were assisted with the school health program, suggestions made as to ways of correcting bad habits, conditions, etc., children weighed and measured, talks given and special clinics or examinations arranged for.

"Physical Fit Tags" were awarded to those boys and girls

who had received a dental certificate from a dentist stating that all necessary dental work had been completed and who had no other remedial defects. These were given out at the end of a period of supervised play and contests which were arranged for with the cooperation of Mr. Harriman, Superintendent, the teachers and other interested citizens including the School Board. Ribbons showing first, second and third places in the contests were also awarded. This so-called Play Day is the first to be held in Wendell. The Play Day idea was suggested by the State Department of Health Educational Director, Mrs. Albertine McKellar.

Arrangements were made for Miss Scheib, Supervisor in Public Safety Education, State Department of Education, to speak to the school children.

It is hoped that arrangements may be made to have Miss Whittaker, Consultant in Public Health Nursing, show some health movies in the schools.

As a point in health education to the readers of this report it might be well to say that scientists have proven that the Vitamin D or Sunshine Vitamin found in Cod Liver Oil is essential to good health. During Summer months this is automatically supplied to us when we expose ourselves to the sun's rays. To prevent colds, to insure an adequate supply of Vitamin D, to keep or to build sound teeth, in fact to Feel Good through winter months Cod Liver Oil in one form or another is an essential food. We are urging it for the children and adults need it too.

In closing I want to take this opportunity to express sincere appreciation for the cooperation and interest shown in the Public Health Program on the part of teachers, parents, interested citizens and town officials.

Respectfully submitted,

JOYCE F. POOLE, R. N.
